

WHAT YOU CAN DO WITH OLD MAGAZINES AND BOOKS

- Magazines and sheet music are recyclable and can be put in the blue box
- Paperbacks can be recycled
- Hardcover books and encyclopedias can also be recycled if the hard covers are taken off
- DVDs etc and their casings are not recyclable
- If they are in useable condition put them in a Little Free Library for someone else to love (HPL's Little Free Library is found inside the P&H Centre front foyer)

SUGGESTION FOR STORING BOOKS

Books and materials that are important to you should be stored in clean plastic totes (not cardboard boxes) and kept in a dry place, that will save them from getting damp, and protect them from mildew and mold.

Thanks to you
