

* The library reserves the right to refuse donations that do not meet selection criteria, that staff deem inappropriate, if our storage space is full or prior to the book sale when we need time to organize the sale.

Library staff are always willing to discuss alternate arrangements if timing of a donation is an issue.

It is best to call ahead.

Tel: 519-364-1420.

*Donations should be in sturdy containers (clean bags or boxes) and packed flat.

SUGGESTION FOR STORING BOOKS

Books and materials that are important to you should be stored in clean plastic totes (not cardboard boxes) and kept in a dry place, that will save them from getting damp, and protect them from mildew and mold.
