

Hanover Public Library's Holiday 2024 Storywalk®

Join us for our Fourth Annual Holiday Storywalk®

A StoryWalk® is a fun, outdoor activity that places a children's book, page by page, along a path or in a park. Kids and their families have the opportunity to enjoy reading a book while spending time outside!

This December, our storywalk book is “The Hockey Jersey” written by Canadian author Jael Richardson with Eva Perron. Richardson tells the story of young Kareema, who loves hockey but feels overwhelmed and unsure of what is ahead when she enters the changeroom and meets her new teammates. When their coach arrives with brand new uniforms and hands each player their jersey, Kareema and her teammates will discover something special while they get dressed for the game. Many thanks to Ms Richardson for her permission to use “The Hockey Jersey” in our walk.

You can find the StoryWalk® set up across the street from the library in Heritage Square. We hope you enjoy the story! To be entered into the draw for a fabulous prize, drop your completed ballot back at the library in person, or through the dropbox. You can also email a copy of your completed ballot to: lribey@hanover.ca

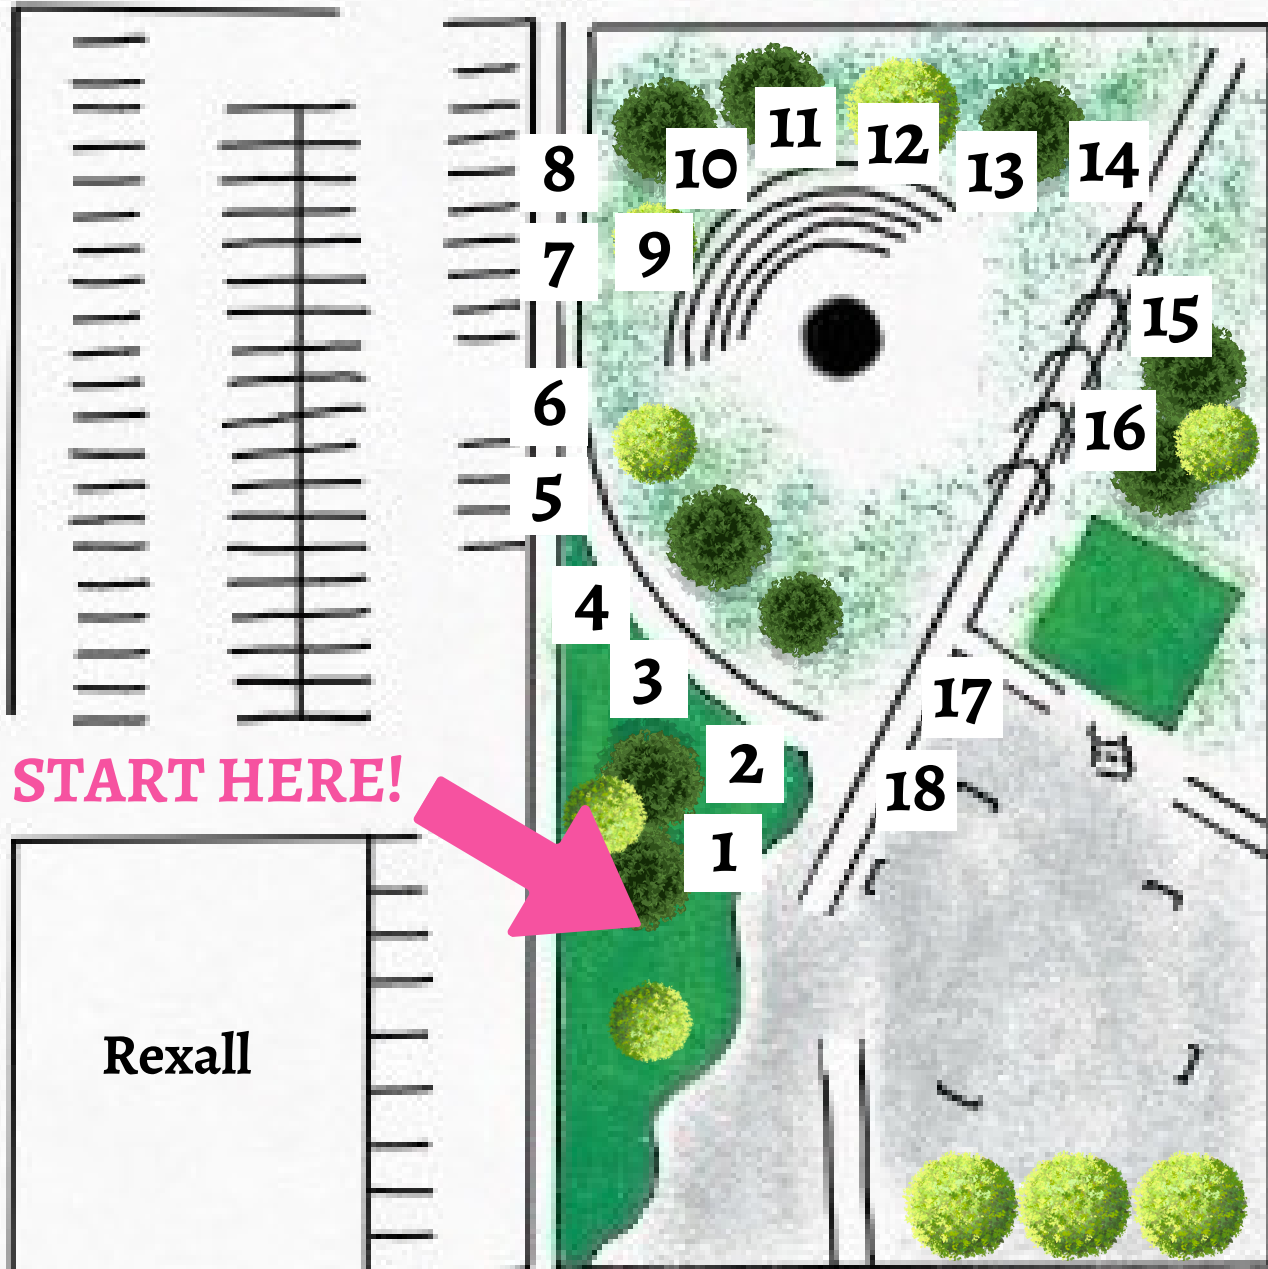

“TheStoryWalk®Project was created by Anne Ferguson of Montpelier,VT and developed in collaboration with the Kellogg-Hubbard Library. Storywalk®is a registered servicemark owned by Ms.Ferguson.”
